MONTPELIER

Mrs. Mary Marchi Sentenced and Then Put on Probation.

In Montpelier city court this forenoon Mrs. Mary Marchi of Barre street, through her attorney, W. A. Lord, asked for and received permission to withdraw a previous plea of not guilty to a charge of keeping liquor with intent to sell and furnish, entered a week ago, and then pleaded guilty to the charge. Her counsel stated that the respondent's physical condition was such that a prison sentence would be almost inhuman and she was without means to pay a fine, being a widow and without any children upon whom she could lean for support. He asked that a sentence be imposed, that it be suspended and the woman be placed in the hands of Probation Officer C. A. Smith. Grand Juror Theriault, the prosecuting officer, also suggested probation and Judge Harvey granted the request, imposing a sentence of 12 months in the house of correction and suspending the sentence. Eleven pints of whiskey and two bransacks of bottled beer, liquor seized in a raid on the Marchi house several weeks ago, was ordered condemned and it was arranged to have the respondent pay the costs of condemnation proceedings, \$10.55. William Wagner, arrested yesterday afternoon on a charge of breach of the peace by Deputy Sheriff Henry Lawson, pleaded not guilty and asked for a trial by jury, being represented by Attorney W. A. Lord. The trial will be held at 9:30 to-morrow forenoon. Wagner, it is alleged, was creating a disturbance at his home yesterday, resulting in the officer being summoned. Bail was fixed at \$100 for his appearance to-morrow, which was furnished. George Doherty pleaded guilty to a third offense of intoxication and paid a fine, which, with costs, amounted to \$22. He disclosed on a second class license place in Barre. Roscoe Irwin of Montpelier, arrested in Montpelier on a charge of intoxication by Deputy Lawson, pleaded guilty to a first offense and was fined \$5 and costs. He was unable to pay the amount and will serve 20 days in the county jail.

A telegram was received in Montpelier yesterday from Worcester, Mass., conveying the news of the death of Mark Fowler, a long time resident of this city, at the home of his daughter, Mrs. George Brown. Mr. Fowler, accompanied by his wife, went to Worcester last Thursday for a visit, he having been in ill health for several months with cancer of the stomach. The deceased was about 75 years of age and was born in St. John, N. B., coming to Montpelier over 50 years ago. He was married to Mary Fowler of Northfield, and to them two daughters were born, both of whom survive. Mrs. Louis King and Mrs. George Brown of Worcester, Mass.; also a grandson, Richard Stanton, who resided with Mr. and Mrs. Fowler in this city. He left Sunday forenoon for Worcester. Mr. Fowler's demise removes another long time employee of the Lane Manufacturing Co., he having been employed by that company as a machinist for 47 years. He was forced to stop work several months ago but returned three weeks ago and labored for three days, when illness again compelled him to return home. He was a lifelong member and a vestryman of Christ Episcopal church. The funeral arrangements are not known in the city but it is possible that the services may be held in Worcester at the home of one of his daughters, with burial in Montpelier.

The funeral of Mrs. Ira Edson was held at 12 o'clock to-day at her late home, 4 Jay street, Rev. O. L. Sherburne officiating. The bearers were C. B. Bertel, B. W. Lock, J. H. Welcher and F. M. Nelson. The remains were taken this afternoon to Marshfield, where the funeral services were held in the church. The bearers there were F. H. Brown, E. A. Thomas, R. E. Ide and E. C. Pitkin. Interment was in the family lot in the Marshfield cemetery.

Following the regular service yesterday morning at the Church of the Mes-
